

Student Performance Data 2008-09

Dake Junior High School

Dake

The word “Dake” describes teams of people working together, none more important than the other...no one individual more important than the group. However, it is the individuals that make this place extraordinary

Dake's 08-09 Academic Trends

Averaged in the Top 4 out of 20 school districts in the Monroe County area in terms of proficiency & mastery rates for state assessments in 7th and 8th grade in ELA, math, social studies, and science

Student Quote

We had great discussions in our classes because they let us work...If we were not doing so great, they offered extra credit opportunities

Student Quote

People at Dake were very helpful...they were also comforting. They helped me out when I was thinking I wouldn't get something done or felt like I was failing. When I was being negative they put something positive in my mind

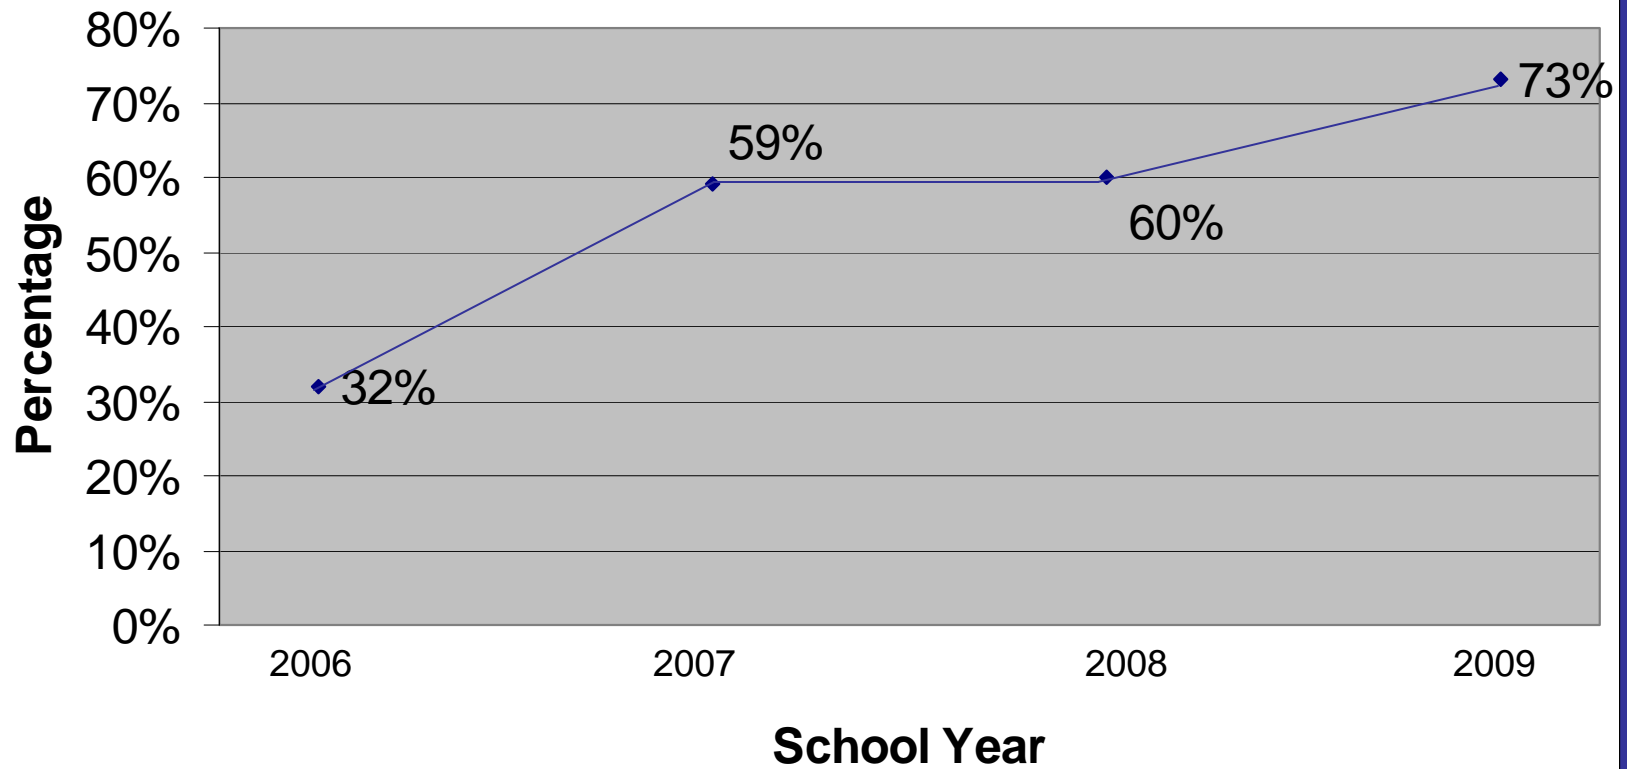

Student Quote

They treat you equally...friendly, but with high expectations—A quality most schools probably don't have. I can't wait for 9th grade; I've been prepared for it.

Superintendent Quote

The most innovative, creative, and enthusiastic staff imaginable... One of the best in New York State

Parent Quote

The Dake staff truly created a learning community amongst the Dake student body. That was clearly demonstrated at the Dake Awards Night when well over two hundred students were recognized for superior effort...The Dake staff has earned the respect and admiration of many, many parents in the West Irondequoit School District.
