CONFIDENTIAL PARENT REPORT

STUDENT:_____COUNSELOR:_____

PARENTS:_____DATE:_____

As your child's counselor, I am interested in academic performance. Additionally, but just as important, is knowing about your son or daughter in ways apart from the school record. Your thoughtful comments will be invaluable to me when I am asked to write a letter of recommendation.

1. List out-of-school interests, activities and pastimes, which may not be known at IHS.

2. List outstanding characteristics, talents and unique qualities. Colleges want to know what makes your child special or different.

3. Comment on future goals.

4. If you were to write your child's recommendation either for college or a job, what are some of the points you would include?

Thank you. PLEASE RETURN TO: Irondequoit High School
