We are piloting a new school supply program in grades K-6. The district has purchased supplies in bulk, through NYS contract. This process allows us to obtain items at a greatly reduced cost. Our goal is to provide our students with the tools they need to be successful while minimizing the financial burden placed on families. **Parents are asked only to provide the items on the list above.**

We would appreciate your feedback on this new program. Please send your comments to [wicsd\\_e-news@westiron.monroe.edu](mailto:wicsd_e-news@westiron.monroe.edu).

**PLEASE:**

- No crayons or gel pens
- Be aware that supplies will need to be replaced periodically throughout the year
- No trapper keepers, zippered binders or binders larger than 2" for science, math or social studies because they **do not** fit in the science lab desks

*In addition to the above lists, a minimal number of extra items may be required by some teachers. These will be announced during the first few days of school or during the school year.*
