Catch the Reading Bug

2008 Summer Reading Contract – Grades 4-6

All students are being encouraged to maintain their reading skills by reading this summer. One fun way to participate is in the Irondequoit Public Library's Summer Reading program, "Catch the Reading Bug". Please keep a summer reading log and read 20 minutes a day, five times a week. Read at least five books this summer, return the signed contract and you will receive a special library thank you. Use our reading list or ask to go online to: www.summerreadingnys.org/ or www.3applesbookaward.org for further reading suggestions. Read what you like, read something new, just READ!

Please return these contracts to your CORE or Classroom teacher by
