We are piloting a new school supply program in grades K-6. The district has purchased traditional supplies (paper, notebooks, pencils, crayons, etc.) in bulk, through NYS contract. This process allows us to obtain items at a greatly reduced cost. Our goal is to provide our students with the tools they need to be successful while minimizing the financial burden placed on families. **Parents are asked only to provide the items on the list above.**

We would appreciate your feedback on this new program. Please send your comments to wicsd_e-news@westiron.monroe.edu.
