19 All About Google! 9:30am—11:30am	20	21 	22	23
26	27 Ready, Get Set, MOODLE! 9:00am—12:00pm	28	29	30 

7/12 **Curriculum Resources for Your K-12 Classroom** Learn about the amazing sources of content available through SAS Curriculum Pathways, Professor Garfield, Thinkfinity, Castle Software, the Concord Consortium and More!

7/14 **Intro to Moodle** At this kick off to a 6-hour online course, get all of the tools you need to being constructing your own extended learning environment. Additional, optional face-to-face meetings are available through the summer.

7/15 **Flip for the Flip Camera!** These low cost, ultra portable cameras are sweeping through classrooms! Come and see how you can digitally capture class moments to create movies and videos that you can email, share and save!

7/19 **All About Google!** Google isn't just a company—it is a way of searching and organizing information. See how Google Docs—including the powerful Google survey tool, Google Calendar, and Google search features like the Wonder Wheel and Google Squared are taking the world wide web by storm!

7/27 **Ready, Get Set, Moodle!** Join Tadge O'Brien from Monroe 1 BOCES as he walks you through the process of setting up your own extended learning environment to utilize with your students in the fall. Moodle can be used as a collaborative extension of your classroom to share resources, documents and more!
