

K-6 Transition to Full Remote Learning:

Hours of Instruction:

- North End School instruction will occur between the hours of 8:30am and 2:30pm.
- South End School instruction will occur between the hours of 9:00am and 3:00pm.

Daily Instruction: Like our hybrid in-person model, teachers will deliver instruction synchronously 4 days per week (Mon, Tues, Thurs, Fri), Wednesdays will still be asynchronous. *Specials classes (art, music and P.E.) will continue to occur on the student's regular specials schedule and will be synchronous.*

Accessing Instruction and Services:

- Students should log into Seesaw (K-3) or Schoology (4-6) for daily access to Zoom links, schedules and assigned asynchronous daily activities.
- Service providers will coordinate with classroom teachers and families to provide a Zoom link and schedule of services for those students who receive them.

7-12 Transition to Full Remote Learning:

Hours of Instruction remain consistent. Period 1 begins at 8:15am. Period 9 ends at 2:45pm.

Daily Instruction: Teachers will provision instruction 4 days a week (M-T, TH-F) leveraging the current Blue/Gold Cohort synchronous schedule. Special education students that are assigned to attend additional days outside of their cohort assignment will continue their established schedule, following the direction of their Special Education teacher.

- Students or their parents should check in to school daily, using the Infinite Campus Portal application. This check-in will be used to verify attendance.
- Students will follow their previously identified course schedule, using the Microsoft Teams platform to synchronously join their classes on their assigned days. Teacher(s) will share any additional scheduled synchronous times with students.
- Students will not need to sign into study halls or lunches, but should utilize any assigned academic or related services support, like Department Centers, Supplementals, Speech/Language or Support Study.
- **Wednesdays** will remain a WIN (**What I Need**) time (PEAK sessions for SEL and Executive Functioning Support, Academic Office Hours and assigned supports, as needed). Some asynchronous work may be assigned on Wednesdays.
- Students should login into Schoology daily in order to access assignments and course materials. In addition, students should check their West Irondequoit email account daily for messages from their teachers. Families will not receive weekly instructional updates/assignment calendars, as they did in the spring. All assignments will be communicated through Schoology, our 7-12 learning management system.
