STATEMENT FROM THE WEST IRONDEQUOIT CSD

Irondequoit High School's varsity girls and boys basketball games scheduled for Tuesday, Feb. 16th were postponed on Monday due to the threat of a winter storm.

However, more than one person associated with our girls and boys varsity basketball teams has tested positive for COVID-19. As with any positive case in our District, we are working with and receiving guidance from the Monroe County Department of Public Health. That assistance pertains to contact tracing, individuals who should be isolating/quarantining and also COVID-19 testing. Per federal privacy laws, we can't disclose any more details or personally identifiable information. Recent opponents of these two squads have been informed.

Our top priority remains the health and safety of our students and staff. We will provide more details moving forward, as needed.

Thank you,

Aaron R. Johnson, Ed. D
Superintendent of Schools
