March 15, 2020

Dear Parents/Guardians,

- All West Irondequoit School District CSE's, annual reviews, CPSE, and subcommittee meetings scheduled from Monday, March 15th and through the school closure related to COVID-19 will be postponed.
- This includes all of our West Irondequoit Schools as well as any of the CSE meetings for our West Irondequoit students attending out-of-district placements.
- We will work to reschedule meetings in a timely manner once we receive details informing our return to school.
- In the meantime, for students who receive school-aged (K-12) Related Services of speech and language; OT/PT; Counseling; or TOD/TOVI – all efforts will be made to provide materials which can support home practice experiences and review. Providers will share with you via email and in some cases home packets.
- Please communicate via email if you have a question as there are no ongoing scheduled personnel in the office.

Thank you, and stay healthy.
