

CHILDCARE OPTIONS

WEST IRONDEQUOIT: In addition, our district has been in contact with two daycare providers in West Irondequoit. Inspire Learning and Childcare, 300 Pattonwood Drive, has openings. Call Jennifer Price for more information at (585) 444-1977. As of this communication, Forever Friends Daycare, 95 Stanton Lane, is closed, but staff is potentially available to provide in-home daycare. To inquire about availability, call Margaret Mary Stenzel at (585) 342-1701.

TOP PRIORITY: Students whose parents/guardians are first responders or healthcare providers should contact their child's principal by email if they need assistance. Servicing these families is a top priority. Principals will support them in securing childcare placements.

ROCHESTER YMCA: In support of our families during this difficult shift in dynamic, the YMCA of Rochester has partnered with schools to offer Emergency Child Care. Click the link for more information:
