Dear Parents/Guardians,

The New York State Education Department's Office of Special Education has completed a Special Education Programs and Services Focused Review in our district during the 2016-2017 school year. This review examined the district's compliance with selected Federal and State laws and regulations governing the education of students with disabilities. This review was not initiated due to any issues or concerns.

The review was conducted by the Special Education Quality Assurance (SEQA) Western Regional Office. The process involved a review of school records of a representative sample of students with disabilities, classroom visitations, interviews with parents/guardians, and staff surveys. In addition, meetings of the Committee on Special Education were observed.

A copy of the report may be reviewed from the Superintendent's office, located at 321 List Avenue, Rochester, NY 14617. If you have any questions, please feel free to contact Sue Flood or Karyn Ryan at (585) 336-3175.

Sincerely,

Dr. Susan Flood  
Director of Student Services

Mrs. Karyn Ryan  
Supervisor of Student Services
